ENERGY TOMORROW

TPA would like to invite you to Energy Tomorrow. The annual information event on the topic of energy is already taking place for the eighth time.

THESE TOPICS AWAIT YOU

- Welcome
Karin Fuhrmann Partner, TPA
- Opening
Josef Plank Secretary General at the Federal Ministry of Sustainability and Tourism
- Keynote I Energy transition and climate protection – Are we really better than Trump?
Volker Quaschnig Professor, HTW Berlin
- Development of energy infrastructures in the tension between market and grid
Wolfgang Hribernik Head of Center of Energy, AIT
- Tomorrow in Uzbekistan – Renewable energies as a reform engine for the CIS region
Bernd Rajal Partner, Schönherr
- The future of energy with Demand Response, AI, Machine Learning and Big Data
Filippo Ferraris CPO, Enerbrain
- Mission 2030 in Lower Austria from the perspective of the system operator
Björn Frittm-Lafer System Operator, Netz Niederösterreich
- Is electricity the new internet?
Peter Blaschek Head of Software Department, W&Kreisel Group
Walter Kreisel CEO, W&Kreisel Group

The event series 'Energy Tomorrow' provides important impulses to the public debate about renewable energies, energy efficiency, energy transition, climate protection and innovative technologies and is further the annual meeting point for decision makers in the energy sector in the CEE/SEE region.

ABOUT TPA

As one of the leading tax advisory and auditing service companies, the TPA Group can provide the necessary industry expertise to perfectly interpret and push the current and future developments in the energy business field.

TPA is looking forward to being able to host all those industries that will play a significant role in shaping our future.

Energy Tomorrow will inform and inspire its audience.

Contact person: Jacqueline Lehner, Tel: +43 (1) 58835-267

The event is free of charge, but the number of places is limited.
