Tel. +43 1 588 35-428 Email gerald.sinabell@tpa-group.at

The Palais Niederösterreich as an ideal and Corona-fit venue offers

- > hygiene concept
- > disinfection
- > room ventilation

II. GUIDELINE OF THE AUSTRIAN ECO-LABEL

Green Meetings und Green Events

The event „Energy Tomorrow“ will be carried out according to the guideline of the Austrian Eco-Label for Green Meetings and Green Events. In doing so, we strive to **save resources, avoid waste and act in an environmentally conscious manner in all areas**. Please make your contribution and take note of the following information:

Info for your journey/arrival:

- > Use the good public transport connections of subway and buses.
At www.oebb.at you may still be able to book cheap Sparschiene tickets (destination stop: Hauptbahnhof, Westbahnhof).
- > Local public connections: U3, Busline 1a, 2a – more info at www.wienerlinien.at.
- > CO2 compensation of your individual journey <https://co2.myclimate.org/>
- > Bicycles can be parked in the inner courtyard

The organizers ensure compliance with the **intended waste concept, including waste prevention and waste separation**.

We aim to organise the event according to the criteria of the Austrian Eco-label for Green Meetings.

In cooperation with
schönherr
